

Declaration of performance

as per Construction Products Regulation no 305/2011 dated 9 March 2011, Article 6

No 2019-DS.19-2-D-98634

- 1. Product type:**
PREFA shingle DS.19 (DS.19)
- 2. Manufacturer's intended use:**
Roof and wall cladding elements
- 3. Manufacturer's name and address as per Article 11, section 5:**
PREFA Aluminiumprodukte GmbH, Aluminiumstraße 2, 98634 Wasungen, Germany
- 4. System for assessing and reviewing the construction product's reliability of performance as per Annex V:**
System 4
- 5. The reference and date of issue of the harmonised standard used to assess the individual key features of the construction product:**
EN 14783, July 2013 – Fully supported metal sheet for roofing, external cladding and internal lining

6. Declared performance

Key features	Performance	Harmonised technical specification
Water permeability	The cladding element does not contain any holes.	EN 14783
Dimension change	$24 \times 10^{-6} \text{ K}^{-1}$	EN 14783
Water vapour and air permeability	The cladding element does not contain any holes.	EN 14783
Release of hazardous substances	The components used for product manufacture and the product itself comply with the requirements of REACH.	EN 14783
Performance under exposure to fire from outside	Without further inspection in line with	EN 14783
Fire performance	Class A1	EN 14783
Durability	Various coatings >20 μm < 35 μm	EN 14783

- 7. The performance of the product specified under 1 corresponds to the declared performance as per number 6.**

The manufacturer has sole responsibility for preparing this declaration as per number 3.
