

Declaration of Performance

in accordance with Construction Products Regulation no. 305/2011
of 9th March 2011, article 6

No. 2019-DS.19-2-D-98634

1. Product type:

PREFA Shingle DS.19 (DS.19)

2. Intended use as foreseen by the manufacturer:

Roof covering and wall cladding elements

3. Name and address of manufacturer as required pursuant to article 11, paragraph 5:

PREFA GmbH Alu- Dächer und -Fassaden, Aluminiumstraße 2, 98634 Wasungen, Germany

4. System for the assessment and verification of the constancy of performance of the construction product as set out in annex V:

System 4

5. The source reference and date of issue of the harmonised standard used for the assessment of each individual characteristic of the construction product was:

EN 14783, May 2013 – Fully supported metal sheet and strip for roofing, external cladding and internal lining – Product specification and requirements

6. Declared performance

Essential Characteristics	Performance	Harmonised technical specification
Water permeability	The cladding element has no holes.	EN 14783
Dimensional Change	$24 \times 10^{-6} K^{-1}$	EN 14783
Water vapour and air permeability	The cladding element has no holes.	EN 14783
Release of dangerous substances	The components used for product manufacture and the product itself comply with the requirements of REACH	EN 14783
External fire performance	Compliant without further testing	EN 14783
Reaction of fire	Class A1	EN 14783
Durability	Various coatings 25 μm - 62 μm	EN 14783

7. The performance of the product described in point 1 complies with the declared performance in point 6.

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 3.
